# CONDITIONS FOR TIME CARDS

## SEASON AND ANNUAL TICKETS 2024/2025

### Infant passes for the Garmisch-Classic ski area

Infants under the age of 6 travel free when accompanied by their parents. For transportation without parental supervision, small children require a valid ticket. For multiple transportation, for example as part of a ski course or similar, we offer two options:

- The winter pass for small children costs € 81,00.
- If at least one parent is in possession of a valid season or annual ticket, the price for the toddler pass is € 52,00.

The toddler passes are available from the start of ski operations in the the Garmisch-Classic area for the 2024/2025 season.

### Validity

All season tickets are valid exclusively for winter sports and leisure activities. No transportation is provided for daily journeys, e.g. to work or school. All season tickets are only valid on the valley route from Garmisch-Partenkirchen to Grainau if the cogwheel train is used as a feeder to one of our cable cars. Exceptions to this are explicitly issued route time tickets. The parking fees for the use of our parking lots are not included in all time tickets. The respective parking fee must be paid separately without exception and according to the available infrastructure.

### Annual pass

Annual pass holders are entitled to use the facilities of Bayerische Zugspitzbahn Bergbahn AG (BZB) during the operating and opening hours. The BZB guarantees 160 days of use during the specified period of validity, excluding force majeure\*. In the event of actual use that is less than the guaranteed use by BZB (160 days), no partial reimbursement of the unused days under 160 can be made. In addition, the customer can extend the use in the specified period according to his individual possibilities.

### Season ticket

A „season ticket“ is valid during the underlying operating and opening hours of the winter or summer season. Season ticket holders are entitled to use the BZB facilities during the operating and opening hours. The BZB guarantees 56 days of use during the specified period of validity, excluding force majeure\*. In the event of actual use that is less than the guaranteed use by BZB (56 days), no partial reimbursement of the unused days under 56 can be made. In addition, the customer can extend the use in the specified period according to his individual possibilities.

### Points of sale

Annual and season tickets are available at all open ticket offices of Bayerische Zugspitzbahn Bergbahn AG. The Wank Freizeitpass is only available at the Wankbahn cable car and at the Zugspitzbahn station in Garmisch-Partenkirchen.

### Purchase of time tickets

If you already have a time ticket keycard, please bring it with you when purchasing the new ticket. Otherwise you can purchase your personal keycard for € 6.00 at our ticket offices. We need a current passport photo to issue your season ticket. You can pay in cash, by EC card or with Visa and Mastercard at all ticket offices. Please note that ID is required for families, children and young people!

If you have forgotten your season or annual ticket, you can purchase a discounted day ticket for the Garmisch-Classic or Zugspitze ski areas at all ticket offices of Bayerische Zugspitzbahn Bergbahn AG. Identification is required when purchasing the tickets. Errors and price changes may occur. All tickets are non-transferable. All prices in Euro.

With the purchase of the season ticket, the General Conditions of Carriage, which are published in the respective stations and online at [zugspitze.de/en/General-conditions-of-carriage](https://zugspitze.de/en/General-conditions-of-carriage), are recognized. In the event of misuse, the card will be blocked immediately. BZB reserves the right to take legal action. A payment upgrade is only possible from a winter pass to a higher-value winter pass or from an annual pass to a higher-value annual pass, but not from a winter pass to an annual pass. It is not possible to upgrade from a Garmisch-Classic summer pass to a winter or annual pass. We would like to point out that when using a season ticket, personal data (in particular on the readers) is processed for control purposes and to prevent misuse of the ticket. The data will be deleted in accordance with legal requirements. Further information on the processing of your personal data can be found on the relevant notices on site and at [zugspitze.de/en/Privacy-policy](https://zugspitze.de/en/Privacy-policy).

### § 8 Release from the obligation to transport

*Events of force majeure, e.g. weather conditions, strike, lockout, operational disruptions or unforeseeable circumstances that may affect the safety of the transport operation, cause the obligation to transport to be postponed for the duration of the hindrance and a reasonable start-up time or to lapse due to the fact that the hindrance cannot be remedied or cannot be remedied in a timely manner.*

The entitlement to transportation also expires in the event of official requirements, restrictions and prohibitions.
